

1.12.14 - 13.12.2014 * 11.12.2014

The McKenzies family & friends came to holiday in your house & others along the water's edge but this house was the party one. All 21 of us enjoyed the fun & meals we had together.

It was my 80th Birthday celebration & family came from London & Australia & all over New Zealand. It has been very special as not often do you get all of the family together at one time.

Thank you for the opportunity.
